AFFIDAVIT IN SUPPORT OF APPLICATION FOR A SEARCH WARRANT

1. Your Affiant, Brad Specht, is currently employed as a U.S. Postal Inspector with the United States Postal Inspection Service and has been so employed since February, 2012. I am currently assigned to the Albuquerque, New Mexico Domicile for the Phoenix Division of the U.S. Postal Inspection Service. Part of my responsibilities include the investigation of controlled substances transported through the U.S. Postal Service in violation of Title 21, United States Code, Section 841(a)(1), The Drug Abuse Prevention and Control Act. I have participated in the interdiction of illegal drugs shipped via the U.S. Mail, and have received training relative to criminal investigations and narcotics trafficking from the U. S. Postal Inspection Service.

2. This Affidavit is based upon my personal investigation and upon information received from other law enforcement officers and agents who are identified herein. The information contained in this Affidavit may not be inclusive of all evidence or information available during the investigation. This Affidavit is made in support of an application for the issuance of a search warrant for the following Priority Mail parcel:

PRIORITY MAIL # 9505511036825300100354

3. I am aware through training and experience, as well as information from other postal inspectors with extensive experience in drug trafficking investigations, that the U. S. Mail is a common and preferred method of drug traffickers to ship their product. The U. S. Priority Mail Express and Priority Mail are frequently used by drug dealers for not only shipping illegal drugs, but also for shipping the proceeds and money from illegal drug sales and purchases. Use of the U. S. Mail is favored because of the speed, reliability, and low cost of this service, as well as the perceived minimal chance of detection of illegal drugs, money, or financial instruments shipped in such a manner.

4. I am also aware that drug traffickers often use fictitious return addresses and names on return addresses, as well as real names and real addresses, with or without the actual person's knowledge or consent, to avoid detection in the event the parcel is intercepted by law enforcement officers. Parcels containing illegal drugs often provide minimal information on the mailing label to avoid detection of a fictitious name or return

address. Drug traffickers normally use heavy tape on the seams and corners of a parcel and have been known to use sealed containers and masking scents, to interfere with any drug detection canine's ability to detect the narcotics. It is also common for drug traffickers to mail parcels from a different post office than the one located in the Zip Code area used on the return address, also to avoid detection of fictitious information.

5. On or about October 6, 2015, I was contacted by Albuquerque Police Department Officer Matt Groff regarding APD case #150091957 that he responded to. Ofc. Groff stated in his report that Michael Steeples, the owner of Clark's Pet Emporium, located at 4914 Lomas Blvd NE Albuquerque, NM 87110 reported that she received 2 Priority Mail Parcels returned to her that she had never mailed out. Ofc. Groff stated in his report that inside Priority Mail Parcel 9505511036825237065917 is believed to be hallucinogenic mushrooms, which he seized and entered into evidence. Inside Priority Mail Parcel 9505513410885259035604 was believed to be a bag of hamburger helper. The hamburger helper was not seized by Ofc. Groff.

6. Based upon the information in the police report I was able to obtain the mailing information for the 2 parcels (Priority Mail Parcel 9505513410885259035604 and Priority Mail Parcel 9505511036825237065917). Both parcels bore the return address of Clark's Pet Emporium Inc 4914 Lomas Blvd NE Albuquerque, NM 87110.

7. Priority Mail Parcel 9505513410885259035604 was addressed to Bradford Sanders 9803 Narragansett Pkwy College Park, MD 20740. This parcel reportedly contained a bag of hamburger helper. When I spoke with Ofc. Groff he stated the bag appeared to have been opened and subsequently resealed. This parcel was mailed on September 16, 2015, from the Five Points station. I was able to determine that the individual that mailed this parcel mailed eight additional parcels during the same transaction. The transaction was paid for in cash.

8. Priority Mail Parcel 9505511036825237065917 was addressed to Meratio Memanus 783 Pasley Ave SE Atlanta, GA 30316. The parcel reportedly contained a blue metal cookie tin as well as a sealed bag containing suspected hallucinogenic mushrooms. This parcel was mailed on August 25, 2015, from the Airport Station. I was able to determine that the individual that mailed this parcel mailed 10 additional parcels during the same transaction. The transaction was paid for in cash.

9. On October 15, 2015, I was able to retrieve CCTV video of the transaction from Five Points Station in which Priority Mail Parcel 9505511036825237065917 was mailed. The individual in the video appears to be a tall Caucasian male with long dreadlocks, hereinafter referred to as the suspect. I spoke with the clerk at the Five Points Station that processed the transaction. I pulled up the video of the individual mailing the parcels on September 16, 2015, and asked if he recognized the individual in the video. He stated he did recognize the individual and the individual comes into the station to mail parcels every other month.

10. On October 21, 2015, I met with Thomas Steeples, who owns Clark's Pet Emporium with his wife Michael Steeples, at his business located at 4914 Lomas Blvd NE Albuquerque, NM 87110. Mr. Steeples had retained the parcel boxes for Priority Mail Parcel 9505511036825237065917 and Priority Mail Parcel 9505513410885259035604 and he turned them over to me. The labels on the two parcels bore similar characteristics. Each label had the picture of a cat in the upper right hand corner and had a blue and white background. Mr. Steeples stated he had no idea who would have mailed these parcels and confirmed, to his knowledge, it was not anyone from the business. He stated he recalled one of his employees, Luciano Moralez, stated he had received a phone call in which someone claimed the business was mailing out parcels with illegal narcotics. He called Mr. Moralez and provided me with the phone in order to speak with him. Mr. Moralez stated about 6 months ago he was working and received a phone call from an individual that appeared agitated. Mr. Moralez recalled the individual on

the phone stating that someone was using Clark's Pet Emporium's address to send drugs or illegal contraband. He had received one of these parcels that he was not expecting and wanted to let them know. The caller did not leave his name or any contact information when asked and ended the phone call.

11. On October 27, 2015, I received phone call from a clerk at the Airport Station stating the suspect had just shipped several parcels and they would hold the parcels for me. On October 28, 2015, I went to the Airport Station and picked up 6 Priority Mail Parcels. Each of the parcels had a label similar to the two Priority Mail Parcels that were returned to Clark's Pet Emporium. The labels all bore a cat in the upper right hand corner, had the Clarks Pet Emporium as the return address and had a blue and white background.

12. On October 28, 2015, Officer T. Novicki with the Albuquerque Police Department came with his narcotics detection canine Trigger, and ran an exterior sniff of the parcel listed in paragraph 2 and three known neutral parcels in a room at the U.S. Postal Inspection Service Office located at 1135 Broadway Blvd NE Albuquerque NM 87101. Ofc. Novicki stated that Trigger had alerted to the parcel listed in paragraph 2 while conducting the sniff. Trigger is a 5 and a half year old Labrador and was last certified by the California Narcotic Canine Association in July 2015 for the detecting the presence of marijuana, methamphetamine, heroin, or cocaine and their derivatives.

13. A records check of the delivery address, 12409 Catocin View Dr Mount Airy, Maryland 21771-6032, indicates that Edward Bayne is linked to that address. A check of Mr. Bayne's criminal arrest history shows that he has been arrested for possession of marijuana and possession of paraphernalia.

14. Based upon the totality of the circumstances described above, I believe that controlled substances and/or money and proceeds from the illegal sales and purchases of controlled substances are contained in the above-described parcel. Therefore, I request to search the parcel for any such controlled substances, proceeds, packaging material associated with controlled substances, or correspondence associated with the use or distribution of controlled substances, and if any such contraband be found therein, to seize the same.

I declare under penalty of perjury that the foregoing is true and correct.
